## Global Distressed Deal of the Year

### Bain Capital Credit

Bain Capital Credit acquired Hypo Alpe Adria Bank from the Austrian government in a deal under which the bank rebranded as Julia Portfolio Solutions. The new entity will focus on serving third-party non-performing loan portfolios. Bain said the deal strengthened its strategic presence in the Italian NPL sector. Hypo Alpe Adria was originally operating in the banking sector, but in recent years it has shifted its focus to credit and real estate portfolio management, becoming an authorised financial intermediary.
